*If you like "rivalries", fine, but every week is a rivalry, and most people treat it as such.But you wait until you don make the playoffs with a 10 win team because the goddamn league put you in a random division that just happened to have an 11 win team. Play everyone in your division twice and others on the opposite division once. We do it strictly for scheduling purposes.*

*Dit was tot op heden de laatste verhuizing van een NFL ploeg naar een andere regio, maar net als Baltimore, Saint Louis en Cleveland hoefde Houston niet lang te wachten op een nieuw team. Samen met Los Angeles en Toronto was de stad een van de gegadigden die het 32ste team toegewezen zouden krijgen. Zo speelt een ploeg die de play offs niet haalt bijvoorbeeld maar tegen dertien van de 31 andere teams.*
