We have all heard dexter mcdougle jersey of home field advantage, but is it real? According to Wikipedia, Home field advantage is described as "the advantage usually a psychological advantage that the home team is said to have over the visiting team as a result of playing in familiar facilities and in front of supportive steve mclendon jersey fans." (Wikipedia) Over the course of this paper I plan on the examining the environmental and psychological factors that give these home teams a better chance at winning week in and week out. We'll begin by looking at the environmental factors that contribute to the home field advantage. Take the Denver Bronco's Mile High stadium in Denver, Colorado for example.

In the 2001 2002 julian howsare jersey season, the team brought in an average of 73,470 fans to watch home games, the seventh highest in the NFL. Amongst other sports teams in Miami there is the Miami Heat professional basketball team, the University of Miami Hurricanes College football team and the Florida Panthers hockey team. Yet the biggest competition that the Dolphins face is the Miami Heat who has won two consecutive championships and have very exclusive star players, this is also a disadvantage to the Dolphins because they share part of their season with the Miami Heat.
