Weeks 2 and 4 were set up so that there are neither any divisional rivalry games nor teams on bye in those weeks, which would have kept the season as fair as possible if those games had to be canceled.[24] The league could also eliminate the normal off week between the conference championship games and the Super Bowl.[24] Up to six weeks of the season could have been lost (moving week 3 games into the bye weeks, canceling weeks 2, 4, and 17, and moving weeks 1 and 5 to the end of the season while postponing the playoffs one week) while still keeping a generally fair schedule with five division games and eight non division games. The league also had a plan for a longer lockout, which included an abbreviated eight game season beginning in late November.[25] Goodell had also stated that the league did not consider using replacement players.[26][27]On March 28, 2011, four former NFL players, including Hall of Fame defensive end Carl Eller, sued the NFL in hopes of joining current players in their antitrust fight against the league. The 44 page complaint filed in federal court in Minneapolis sought class action status on behalf of all former players.

Some pregnancies are difficult and some births are problematic. It is not difficult to concede t—shirts that there are times when sound medical intervention is a necessity and a blessing. To insist, though, that every birth requires a hospital setting and the attendance of a doctor with ten years training is, as many experts in the field agree, rather ludicrous.
