7. The Eagles' defense heard the national media blabber all week about how the Vikings' defense was the best in the NFL, and then it went out and showed the world who actually has the best defense in the NFL. This was another monumental performance by the Eagles' defense, holding a decent Vikings offense to just seven points on one early touchdown.

The league in 2005 tried unsuccessfully to have medical journals retract the published work of several independent concussion researchers. Independent researchers directly warned Goodell about the connection between football and brain damage in 2007, but the commissioner waited until dennis byrd jersey 2009, when two other independent researchers delivered still more evidence that football caused brain damage during a private meeting at the NFL's Park Avenue headquarters.
