For example, the Entity Framework team joined the MS Open Tech Hub, and brought today open source Entity Framework project to life. This team was able to quickly organize engineering and open development resources to be ready to start collaborating with the open source communities. EF will join the other open source components of Microsoft dev tools and frameworks MVC, Web API, and Web Pages with Razor Syntax to help increase development transparency for this project..

Weaknesses: Although he's viewed as more than just a shooter, his lack of overall speed could relegate him into being a one dimensional (spot up threat) pro. Not the most fluid of athletes. Lack of foot speed and overall quickness will make running defenders off screens to get open more challenging.

Many companies fail to imply a good effective CSR to a business and this can have an overall effect on the company's process.
