Weaknesses: Sustaining a high level of intensity and focus is his biggest obstacle. Jones laid back attitude often manifests itself on the court, and his inability to consistently play to his ability is a concern. He often disappears from games marcus williams jersey and currently lacks the tenacity needed to be a dominant presence inside.

Terrence Ross SG/SF Raptors: Ross sprained his ankle last Thursday, which caused him to miss Sunday's game against the Warriors. He will probably be fine for the next game the Raptors play, but that isn't until Friday of this week. That's right, the Raptors play just two games this week, and that means Ross' ability to produce fantasy numbers are limited.

Have a hole in my neck, he said. I ain gonna die in this motherfucker. I getting out of here. Some of you need help. Keep blaming Carr, Coop. Without these 2 we are the browns. "It's not necessarily happening on street corners any more, but it's certainly happening online," says Adams. "It's a lot easier to adopt personas online that cost you absolutely nothing apart from demonstrating certain types of arcane knowledge, what Sarah Thornton called subcultural capital. You don't have to invest in a teddy boy's drape suit or a T shirt from Seditionaries.".

I think there's a big difference in scheme, I think there's a big difference in coaching points in that some places, they don't care. With Bill, he cares. As far as system fit, he didn't fit the system.". Cooper's company, Net Result, which was acquired by Thomson Reuters in 2013 and now works under the company's Mark Monitor anti piracy banner, has widened its focus and employs numerous disruption tactics to combat streamers.
