Last Friday, the Pentagon said 10,000 Russian troops stationed near Ukraine had moved to within 30 miles of the border and continued to build their military capabilities. Russia denied previous US claims of a troop buildup along the border last month, arguing that international monitors had not revealed any violations or undeclared military activities near Ukraine. Russia's federal security service said the troops had destroyed their weapons and asked for asylum.

Along with the "one Windows for all devices" idea, Microsoft is pushing what it calls "universal Windows apps", which is the new name for apps downloaded from the Windows Store. The idea is that one app will be able to run on all Windows platforms, including Windows Phone. Microsoft has been talking about this for over a year..
