Ryan Braun didn lose his \$145 mill contract, ARod didn lose his \$200+ mill contract after being suspended for a year, and Barry Bonds got to keep all his records. As long as you don get caught before reaching your goal, what they do to you after is really meaningless. Braun and ARod are still making millions a year even after being proven to be Grade A cheaters and lying to the baseball commissioner and the fans..

In the past fifty years, there have been between 200 or so players entering the National Football League each year. In the current years, player safety in NFL has been a major controversial subject, with the main concern being concussions. Concussions are a type of traumatic brain injury that has been purported to be one of the influences for player suicides, and other symptoms after retirement, including memory loss and depression.

If John Tavares, say, goes the nick folk jersey unrestricted free agent market, why wouldn't he see Vegas as a very attractive choice now? Ditto for James van Riemsdyk. If Ottawa decides at the end of the season to trade Erik Karlsson, Vegas might be one of the franchises he'd be willing to accept a deal to. The Strip is certainly a lot more hospitable in January than Kanata..

"I think they've got a good handle on (injury) prevention," said Marleau.

"They've seen the patterns on how people get hurt and get worn down
over time, so they try and stay on top of it. I think they're in touch

with the coaches, as well, as far as when to practise hard and when to maybe ease back a little bit..
