Be warned. For some reason Microsoft will only let you stream DLNA to Microsoft certified devices, not all DLNA compliant devices. Xbox works brilliantly, both with Smart Glass/Xbox Music and video and with 3rd party apps that can stream to the Xbox via the charm. If you have a TV that Microsoft have seen fit to certify then you in luck. For anyone that cares, I have just submitted an app for replicating this functionality (partially) for XBMC devices and HTPCs.

Everyone of a certain age remembers the Stones on Ed Sullivan, the death of founder Brian Jones, their favorite songs, concerts, or videos, and their stance in the classic "Beatles versus kd cannon jersey Stones" debates. In the wake of Keith Richards's bestselling autobiography, Life (2010), many are now reliving these events and decades from the viewpoint of the band's endearing and seemingly death defying guitarist.
