"Apple Screwed Me!!" No info here, I'm just ranting at the ranters, and Twitter's down. Techmeme's top circle link today is about people angry that they bought an iPhone after the first rush, but before the first pricedrop. It's just \$200, and just your ego to have the newest/fastest.

They also are coming off a win over the Bills late last season that ended a four game losing streak in Buffalo, and they won that with Matt Moore filling in for Ryan Tannehill. Tyrod Taylor couldn't make it back from his knee injury in time to play in the blizzard last week. Nathan Peterman was knocked out of that game with a concussion.

However, following the bye week, the Colts went 5 7 and ended the season again with a 9 7 record, which was good enough for third in the AFC East and a second consecutive playoff appearance. The team, however, was not as successful in the postseason as they were in 1995. The Colts lost to the Pittsburgh Steelers, this time by a score of 42 14.[35]Main article: 1997 Indianapolis Colts season.

Four years ago, when the Dallas Cowboys signed Deion Sanders to a five year \$35 Million contract, Cowboys owner Jerry Jones expected performance. He knew Neon Deion was arguably james carpenter jersey the best defensive back in the National Football League, and he knew that Sanders alone could fill Texas Stadium with fans. In his first year with the club, Sanders was a massive contributor to the Cowboys' 1996 Super Bowl Championship.
