Major League Baseball has used a draft to assign minor league players to teams since 1921.[2][3] In 1936, the National Football League held the first amateur draft derrick jones jersey in professional sports.[4] A decade later, the National Basketball Association instituted a similar method of player distribution. However, the player draft was controversial. Congressman Emanuel Celler questioned the legality of drafts during a series of hearings on the business practice of professional sports leagues in the 1950s.[5] Successful clubs saw the draft as anti competitive.

In 1920, the inaugural season of the NFL, 11 veterans of MLB (including George Halas and Jim Thorpe) became the first athletes to accomplish the feat. Since 1970, only seven athletes have done so, including Bo Jackson and Deion Sanders. Jackson was the first athlete to be selected as an All Star in both MLB and the NFL.

Elliott, so far, has avoided league punishment with legal rulings in his favor. He is expected to return to court again next week after getting an administrative stay Friday, allowing him to play against the Chiefs on Sunday. The Cowboys and Eagles play for the first time this season on Nov.

The value of each play's outcome is measured by the snap to snap change in expected points. This is called Expected Points Added. The Expected Points Added (or lost) in each play are divided among the contributing players on the field based on the role of each player and the type of play.
