I realize there are a lot of people who are not fans of McAdoo but you are kidding yourself if you think he made this decision unilaterally. GM and Owners probably made the call. Just like sometimes you have to

make a change at coach because the message gets stale, Eli time in NY is done.

Description: Understand Video Games as Works of Science Fiction and Interactive Stories Science Fiction Video Games focuses on games that are part of the science fiction genre, rather than set in magical milieux or exaggerated versions of our own world. Unlike many existing books and websites that cover some of the same material, this book emphasizes critical analysis, especially the analysis of narrative. He also discusses video games as works of science fiction, including their characteristic themes and the links between them and other forms of science fiction.
