If you are correct Phila gets Simmons Murray at 1 4 they will have some unreal stable of young blue chip talent even w/o Embiid but to think of the players they would have if Embiid is healthy Saric is there My Lord you could argue that they grabbed the best prospect in Each of the ast 4 Drafts that's just unheard of! Truly amazing. I also like Brown going to Portland. I think people forget that Aldridge was 30 years old I like what Portland is doing, I think the fans are going to be happy watch that young team grow.
