He flip his elbow to make sure he had at least a piece of him. They teach these QB that if they slide they are protected. But as we see only certain QB are. The SEC won't be nearly as relevant from a National perspective as it was a season ago. The two teams at the top are as good as any team in the country but after that, there's a long list of teams with more questions than answers. There are as many as 5 coaches that could be on the hot seat this season and with quite a few teams void of any NBA type talent, it could be a long season for many programs in the conference.

Miami had its Week 1 game with Tampa Bay bumped to Week 11, evacuated the entire team and support staff and their families to Los Angeles during Hurricane Irma, and were playing back to back road games with plenty of distractions hanging over their heads upon returning from the West Coast. In sports, you sometimes have what are called "Throw Away Games": a game in which everything goes wrong, despite the best plans, and you're best to just throw it away and focus on the next one. That loss to the Jets qualifies..

I need to work with the "Glowing Edge" function effecting text. I realize the effect is not available this way, so I create the text on a background, save it as a JPG file, then bring the pic back into Photoshop like a regular picture. However, the "Glowing Effect" function will still not make itself available (light gray.) If I add any other typical JPG pic to to my work file, I can create a "Glowing Edge" effect fine.
