I just watched the Frontline report about concussions in the NFL, anthony johnson jersey and the NFL apparently lies about everything. The NFL did everything in it power to dissuade the notion that concussions were caused by playing football. The said the BU center for CTE was their preferred brain bank for former NFL players to have their brains examined after death, then in the middle of the piece Junior Seau kid is talking about how the NFL trash talked Dr.

In 2012, a second wild card was added to each league. The two wild card teams in each league face each other in a one game playoff, with the winner facing the number 1 seed in the Division Series. [citation needed] The advantages of the wild card format are that it allows a second (or third) place team a chance to win the World Series, even if there is a dominant division winner. As the wild cards are not awarded by division, the additional teams are part of league wide races for the fourth and fifth spots.
