While he is really good at bodying people up and blocking shots on ball, he needs to learn how to contest shots coming from help side as well as being better against guards driving to the rim. Overall Poeltl has certainly made the best of his year and deserved the hype considering how fast he developed. Though his developing a real post game remains a questionmark, and that could always keep him away from becoming a high level NBA center.

Description: In all six of its volumes The Broadview Anthology of British Literature presents British literature in a truly distinctive light. The anthology also provides wide ranging coverage of the worldwide connections of British literature, and it pays attention throughout to issues of race, gender, class, and sexual orientation. It includes comprehensive introductions to each period, providing in each case an overview of the historical and cultural as well as the literary background.

I not a Cutler fan at all, and his past behavior opened him up for some of this criticism. But this makes him even more of a wimp is the stupidest non article I read this morning. The guy just lost the biggest game of his career, couldn even finish (by his choice or not we know more after the MRI), and no doubt already knew after sitting there for a half that he might never overcome the image of him missing that half.
