LongFin is by no means the first small cap company to benefit from the cryptocurrency boom. Electrical supply firm Digital Power saw its stock spike by 750% in three weeks between November and December after announcing its plans to mine cryptocurrencies. In the 10 years previously, Digital Power had never traded above \$3, but a surge of interest from investors has now pushed it to more than \$5..

After you run it once, you would put that point total in another cell. Then add a constraint saying [points cell we are solving for]With VBA you can set this constraint cell to something huge like 10,000 to begin the process. Then use a for loop to continually run solver x amount of times, before looping copy the points cell we solved into the constraint cell, and loop again.

You should be finishing that report, cleaning your bedroom, and reading a good book instead of acting weird and attracting the attention of strangers. What good is that going to do anybody? Your Parent also only notices surface aspects of Reality. "That grass needs cutting!" "That sidewalk is filthy!" "Those clothes make her look fat!" "Why are you wasting your time on a stupid walk?" To help reassure your Adult and Parent, tell them the book you are reading told you to, and it's written by a PhD psychologist who knows what he's talking about.
